Future Prospects

- According to the "Top 2000 Taiwanese Companies Report" published by Common Wealth Magazine in May of 2021, we are ranked No. 204 in Service Sector and No. 10 in Trade Sector. We will strive ourselves to continue to grow, and will uphold ourselves to the highest level of service to our clients.
- Regarding the development of the petrochemical industry, after several years of China-US trade frictions and the pneumonia epidemic, the global economy has stagnated, leading to a decline in the industry; looking forward to the performance of this year (2021), after the vaccine is widely used and the epidemic has turned around, the overall industry is already. As we haven't announced any financial projections, we cannot submit any concrete explanations. In the future, we will continue to be based in Taiwan, operate between Taiwan and China, and expand operations worldwide.

Future Prospects

- YUAN JEN has been established for over 40 years.

Looking toward the future, we will continue steadily with stakeholder to profit mutually, and establish good corporate governance in the pursuit of economic growth and sustainable development.
